

Tip of the Month – February 2003

Great Plains Field Definitions

Have you ever wondered what the definitions of the fields are in a Great Plains window? This information is available at your fingertips. To access it, you will need to do the following:

- Open a Great Plains window
- Click on the F1 key
- Click on the 'Fields' tab
- You will see a listing of all the fields in the window
- Click the hyperlink on the field name in question and the information for the field will be displayed
