### DataSys Moves to Convenient Boxboro, MA Location

Boxboro, Mass. – June 1, 2018

After 18 years in Marlboro and four years in Waltham, DataSys has moved to the Boxboro Executive Office Park at 1740 Massachusetts Avenue in Boxboro, MA. This new location saves considerable commuting time for team members, and is located just minutes from Route 495 for customers who attend training or meetings.

The new office, like the previous ones, has an artistic and peaceful feel. The offices look out to the woods, and lunch spots are close by.

On June 21<sup>st</sup>, DataSys hosted a “Know Your Neighbors” reception for other tenants in the office park. Everyone agreed it’s nice to take time to relax and get to know one another, and saying Hello in the parking lot has taken on new meaning.

The new office is ideal for customer meetings, DataSys’ longstanding classroom training program, and supporting the teamwork that has been the hallmark for DataSys for 22 years. Our new IP phone system ensures that we respond promptly to phone calls and voicemails.

DataSys is pleased to make Boxboro our new, long-term office.
