Michael D. Newman Celebrates 23 Years of Service to DataSys Customers

Boxboro, Mass. – July 24, 2023

Michael D. Newman hit the Year 23 Milestone of service to DataSys' customers on July 24th. A GP expert for almost three decades, including his time as a multi-national Controller using GP prior to 2009, Mike is now building expertise on Microsoft Dynamics 365 Business Central.

When Mike was asked for some trivia, he responded that he purchased his game-day sweatshirt in 2000 and still wears it to every game.

The announcement to customers included “in a world where you can be anything, why not *Be Like Mike*. That would be dedicated to customers, committed to one’s craft, and serving as a role model for teamwork.”
